

MEASURE WHAT MATTERS.

Use this scorecard to review the major areas of your financial blueprint, identify where you are strong, and decide where focused attention can create the greatest improvement.

1 SCORE YOUR FINANCIAL BLUEPRINT

Rate each area from 1 (needs major attention) to 5 (strong and intentional).

AREA	SCORE	WHAT IS WORKING?	WHAT NEEDS ATTENTION?
Income diversity			
Cash reserves			
Debt management			
Saving & investing			
Asset ownership			
Protection & risk planning			
Financial systems / organization			
Long-term direction			

2 SCORE SNAPSHOT

TOTAL SCORE _____	STRONGEST AREA _____	WEAKEST AREA _____	PRIORITY AREA _____
-----------------------------	--------------------------------	------------------------------	-------------------------------

3 WHAT THE SCORE IS TELLING YOU

Where have I built the strongest financial habits or systems?

Which weak area creates the most risk or limits the most progress?

What would improve if I raised my lowest score by one point?

BUILD WITH INTENTION. CREATE WITH PURPOSE.

4 TOP THREE WEALTH-BUILDING PRIORITIES

Choose the areas that deserve focused attention over the next 90 days.

PRIORITY 1

Area: _____

Target score: _____ / 5

First action: _____

PRIORITY 2

Area: _____

Target score: _____ / 5

First action: _____

PRIORITY 3

Area: _____

Target score: _____ / 5

First action: _____

5 90-DAY IMPROVEMENT TRACKER

PRIORITY AREA	START SCORE	TARGET SCORE	ACTION / SYSTEM	REVIEW DATE

6 BUILDER'S CHECK-IN

What financial decision am I most proud of this period?

What behavior or system needs to become more consistent?

What is one thing I will stop, start, or strengthen?

7 NEXT SCORECARD DATE

I will review this scorecard again on: _____

The score I most want to improve before then: _____

WEALTH GROWS WHEN ATTENTION BECOMES ACTION.

Measure the blueprint, strengthen the weak points, and keep building with intention.
